

# Riverland Church Directory

## Site map

---

## Other Features

There is a **search engine** available on every page for those who wish to find a particular church quickly.

On the Church level we welcome **pictures** for presentation and **maps** to show how to get to your church.

**Updating information** is easy and only a phone call or email away. Or you can download the web form and post it in to us.

**When does the Riverland Church Directory begin?** As soon as we begin to receive information from the churches.
